

Security pull hand

PSEC

Thermoplastic

Gripping handle for both pushing and pulling

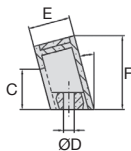

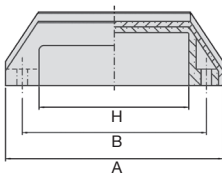

- Blind handle, without finger hole
- Fixing with screws (not supplied)
- Working T°: -20°C to +110°C
- Material:
 - Glass fiber reinforced black thermoplastic PP
 - Orange cap RAL2004

Advantages

- The shape of the handle prevents the complete passage of the fingers and thus protects them from a shearing effect

Evite les pincements
